The Ghost

Okay, I admit it. I'm not perfect, no matter what you've heard. First off, I'm dead. Second, I got sent back from the Great Beyond. I mean, seriously, who is running things up there? Now I have to spend the summer after my senior year working - and on behalf of a bunch of whiny spirits, no less. But a girl's got to what a girl's got to do.

It's a good thing Will Killian is still around. Even though he drives me crazy, and he could seriously do with a tan - Hello! It's summer! - I'm glad he's here to help me. Now he's all distracted by this frizzy-aired girl who can - big deal - communicate with the dead, too. Whatever. I don't need Will. But there are some things - like saving my parents from a couple of horrible mistakes - that would be easier with his assistance. Still, I will get what I want... with or without him.

The Goth

I'm still totally amazed that Alona Dare is my spirit guide and that it works. Yes, I've had a crush on her since sixth grade, but I also kind of hated her. And sure, she had to die before she'd talk to me - but I don't know, I kind of like having her around.

Things get confusing when I meet Mina, who's the first ghost-talker I've ever encountered (other than my dad). I always thought Alona and I were doing the right thing helping those other ghosts, but mina has me thinking otherwise. Plus, she might know stuff about my dad that even my mum doesn't. But if there's one thing I should have learned by now, it's not to ignore Alona. That's never a good idea.
